The Hearth Patio & Barbecue Association – Western Chapter is swinging into action with a “Tee it Up” Summer Social to help build membership and financial strength so that we can continue to support and pursue industry related programs and issues.

We want to touch base with everybody and that’s why the “Tee it Up” Summer Social is being held in four different locations over a two week period in August. A centrally located golfing venue has been chosen in each of the regional areas: Lower Mainland, Central Interior, Vancouver Island and Prince George. All industry connected individuals including friends and family are invited to “Tee it Up” at any location. From the putting green and driving range social to the gourmet bbq buffet and after dinner meeting this occasion promises to be fun and informative for everyone.

Sponsorship is always necessary to insure the success of any association and event and we are hoping you will show your support by “chipping in” for this fun affair.
